

13th Poverty and Social Protection Conference [PSPC2020] April 15th - 17th 2020, Kathmandu, Nepal

13th Poverty and Social Protection Conference [PSPC2020] is a three-day program, unlike most academic conferences. It brings together scholars, advanced students, NGO and governmental representatives as well as experienced professionals willing to learn and share about the topics related to poverty and social protection. It is open to all of those interested in gaining new knowledge as well as those who want to share their own research, achievements and experience.

Being fully aware of just how the comprehensive understanding of this matter is important for successful and continuous development of every individual, organization and society as a whole, we have designed an event that will address the issues that we all have to face in transforming our ideas into workable, innovative and progressive projects. In order to achieve that, this 3 days event will include both exciting panel discussions and networking activities for educators, professionals and policy makers of all ages from across the globe, offering one of the kind learning and networking platform for prominent leaders in the field.

Bangkok Soap Opera for Sustainable Soap Making Workshop

We would like to invite you to join Bangkok Soap Opera for Sustainable Soap Making Workshop. Sustainable Soap Making is a social and environmental project to help Bangkok to be Green and Clean. Waste Cooking Oil is a big problem for such big cities as Bangkok. It's a byproduct of work off many business: food industry and hospitality. Sadly in Thailand there is not governmentally controlled system of safe oil disposing. Most of waste oils is being disposed into city drains polluting environment. We want to make a Difference. We collect waste oil from businesses and individuals to recycle it into Natural Soap. 5% of this soap is used in our little store for sale. When 95% is donated to Charities. During workshop we will share knowledge on filtering waste oil to make its quality comparable to the Virgin Oil. Later we will start the alchemy and turn it into natural soap. Every participant will choose their own flavours, focusing on thai local herbs and flowers. Every student will take home 1 bar of unique designed soap: 100% Natural and 100% Sustainable.

We would like to Share the knowledge of turning Waste Oil into Soap, by turning Trash into Treasure. Workshop time 1.5 h
